LIFETIME VIP · AI SERVICES

Premium mobility + an AI Control Room + robots — one membership.

€2,990
/ year · VAT 0% reverse charge
SKU FLEET-VIP-001

First-class Uber Comfort / Uber Priority transport, NVIDIA Connect edge services on DGX Spark + Jetson Orin, and Lifetime Fleet robots — managed end-to-end, EU-sovereign.

THE RIDE BUYS THE HOURS · THE CONTROL ROOM BUYS THE COMMAND · THE ROBOT BUYS THE HANDS

🚗
First-class mobility
Uber Comfort / Priority, booked & managed for you and your guests.

🧠
AI Control Room
NVIDIA Connect on DGX Spark + Jetson Orin — command from anywhere.

🤖
Robotic hands
Lifetime Fleet robots / drones on site — eyes, sensors, actuation.

🇪🇺
EU-sovereign
Local inference, data stays in Europe — no cloud, no CLOUD Act.

Flagship scenario — "Fix the Forte line in Tornio"

A process breaks on the **Forte line in Tornio** — 730 km, ~8 h north of Helsinki. The response doesn't wait for arrival:

1. **You hop in.** A VIP ride leaves Helsinki, 8-hour drive begins.
2. **The Control Room comes with you.** En route you connect to the **DWS IQ Tornio Control Room** — line under your control from the back seat.
3. **The robot is already there.** Lifetime Fleet dispatched it to the Forte line.
4. **You negotiate the fix.** Diagnose, direct the robot, align with the plant manager — hours out.
5. **Arrive already in control.** Walk in to confirm, not to start.

> **Time-to-control collapses from an 8-hour drive to minutes.**

The edge hardware behind it

PRODUCT	ROLE	FROM
DGX Spark	Sovereign command brain (NVIDIA-branded)	**€5,994**
Jetson Orin Nano / NX / AGX	Mobile-robotics sensor nodes	**€764–€2,694**
IGX Orin	Industrial / medical-grade edge	**€11,990**

Each ships with install, operator training, warranty servicing & managed NVIDIA model updates. Lifetime Oy is an **NVIDIA Connect ISV** (sovereign EU edge-AI track).

Why now

- NVIDIA edge stack (DGX Spark · Grace Blackwell · Orin) shipping into EU robotics.
- NIS2 / GDPR / data-residency pressure favours local inference over cloud.
- Buyers want one accountable partner for silicon, seats, and service.

Lifetime Oy · Business ID 0772407-9 · VAT FI07724079 · Espoo, Finland
Sovereign by Design. Global by Choice.
